

Privacy Policy

Sustainability Pty Ltd complies with the National Privacy Principles as specified in Schedule 3 of the Privacy Amendment (Private Sector) Act 2000 (Cth), which amends the Privacy Act 1988 (Cth).

Sustainability may collect information for the main purpose of effectively and efficiently conducting business activities. Sustainability has developed procedures to ensure all information is handled sensitively and securely. We have established standards for the collection, access, storage and use of personal information which we obtain as part of our business operations.

Information owners, such as Sustainability or Sustainability clients and suppliers, may further specify additional requirements of confidentiality and all personnel are required to respect both internally and externally established Confidentiality Agreements.

Sustainability takes all reasonable steps to ensure that all information collected or used is accurate, complete and up to date and stored in a secure environment and is accessed only by authorised personnel for permitted purposes.
