

Aboriginal & Torres Strait Islander Policy

Sustainability is committed to supporting Australian industry in developing and maintaining partnerships which contribute to improving the livelihoods of Aboriginal and Torres Strait Islander people in Australia.

Sustainability and its employees acknowledge, respect and support the recognition and protection of Aboriginal and Torres Strait Islander's interests, special connections and rights in law to land and waters in Australia.

Whenever possible, Sustainability promotes and supports the facilitation of Aboriginal and Torres Strait Islander communities engaged with resource companies operations in an effort to promote mutually beneficial and sustainable agreements between resource sector companies, indigenous communities and the government.

Through cross-cultural awareness and equal opportunities for all Australians, Sustainability strives to support the increased capacity and capability of Aboriginal and Torres Strait Islander communities and organisations in today's resource industry.
